PACKING DIMENSIONS	24.5" (L) x 20.5" (W) x 28" (H)
G.W. / N.W.	134 / 117.5 LBS
LOADING QUANTITY	216 PCS PER 40' HC

Chipper / Shredder

WHY BOSS

Compared to the other gas chipper / shredders on markets, Boss Industrial CSG series of chipper/shredder wins with these advantages:

- Equipped with high quality, durable, powerful Briggs&Stratton engine XR950
- Easy to assemble. One step set up by mounting the two hoppers in minutes
- Compact design for easy maneuvering
- High-carbon/high-chromium forged alloy tool steel made knives hold an edge longer than those on "bargain" chippers/shredders
- 8 Swinging hammers sheds the branches and leaves to much finer debris
- Patent design on bottom of shredder hopper avoid debris accumulated
- Debris bag included
- Wider rubber wheels and "Kickstand" provides stability and mobility
